Dear Dr. Siddiqi,

On behalf of The American Physical Society (APS), I express the sincere condolences of the APS to the citizens of Pakistan for the tragic losses that you have suffered from the recent earthquake. We are saddened by the extent of the devastation and the heavy loss of lives.

The American Physical Society extends its deepest sympathies to all who were affected and our thoughts are with our fellow colleagues in the Pakistani physics community. The APS stands in unity with citizens of Pakistan during this difficult time.

Sincerely,
